Residential on 0.12 Acres

Harvest Hills, Calgary, Alberta

Welcome to this beautifully maintained 1,195 SqFt single-family home in the heart of Harvest Hills. Boasting 3 bedrooms and 2 full bathrooms on the upper level—including a 4-piece ensuite—this home is perfect for someone looking to add a little sweat equity into an incredible investment opportunity.

The vaulted ceiling from the living room to the kitchen creates an airy, open feel, allowing natural light to pour in from the sunny south-facing backyard. The central kitchen island provides added prep space and extra storage, making it both practical and inviting.

Downstairs, the unfinished basement offers incredible potential—already roughed-in for a full bathroom with a standalone shower and jetted tub—ideal for future development or a legal basement suite (subject to approval and permitting by the city). PolyB has already been fully removed and replaced with PEX.

Enjoy the rare bonus of a heated double attached garage AND a heated double detached garage, already wired for 240v, plus RV parking!

Located directly across from scenic walking paths and just minutes from parks, top-tier shopping, and a transit hub, this family-friendly home sits in one of north Calgary's most connected communities. With all levels of public school under 10 minutes away you
