2 Bedroom, 2.00 Bathroom, 2,210 sqft
Residential on 23.92 Acres

NONE, Rural Lacombe County, Alberta

Twenty four acres of 'Parkland' beauty and western character in a pleasing mix of open meadows and naturally wooded areas, developed into a unique west country equestrian facility and wonderful home. Easily accessible from Highways 12 and 766, this boarding, training and breeding facility has many small pastures and turn-out areas, all with, or access to natural shelter and shade. Two small natural ponds enhance the natural beauty of this gently undulating and almost hidden retreat. The impressive, custom-built, 2210 square foot log home faces south and west toward turn-out yards, and 2 barns, 24'x40' and 20'x26' with box, foaling, and tie stalls, tack rooms and loft. The varnished to perfection log home has large areas of covered 'wrap-around' decks and balcony. The entries and porch lead to the open ranch style kitchen-dining areas. A large wood stove accents the entry to the large living room with cathedral ceiling, and the large master bedroom. An open stair-well leads to the upper balcony area with bedroom & bath area. One large bedroom could easily be two, and an undeveloped area could be another bedroom. Other buildings include a pump-house, 32'x48' heated quonset shop, a 16'x32' garage and coffee room, and a sauna house. In addition there are 4 large shelters and 2 smaller ones in various pastures. An RV parking area has room for four RVs with power, water and septic

system for hook-ups. A large outdoor training arena also has access to riding trails.
