2 Bedroom, 2.00 Bathroom, 920 sqft

Residential on 0.02 Acres

Prairie Springs, Airdrie, Alberta

Welcome to this well-designed and comfortable 2-bedroom, 2-bath corner unit, quietly tucked within a nicely maintained Stacked townhouse-style complex in Prairie Springs. With over 900 sq. ft. of thoughtfully planned living space, this home combines practicality and comfort in a layout that just makes sense.

A private outdoor sitting area at the entrance gives the home a welcoming first impression — perfect for morning coffee or a quiet evening outside. Inside, the open-concept layout features a spacious kitchen with granite countertops, a large island with a siligranite sink, a corner pantry, and plenty of room for a full-size dining table. The living area is well-proportioned, offering flexibility for furniture placement and a comfortable space to relax.

The primary bedroom includes a walk-in closet and a 3-piece ensuite, while the second bedroom is generous in size and sits next to a 4-piece guest bathroom — ideal for family, guests, or a home office. Additional conveniences include in-suite laundry, two parking stalls (one titled and one assigned), and a visitor parking space just steps away.

Being a lower-level corner unit means no shared walls on one side and large windows that provide a pleasant outlook and a sense of openness. The complex is pet-friendly, and the

surrounding area offers easy access to walking paths, parks, and schools â€” everything you need for a simple, connected lifestyle.

This inviting home is move-in ready and available just in time to settle in before the holidays.
